

**PLAN OF FORMATION
AMBULANCE DISTRICT
TOWN OF JEWETT, GREENE COUNTY, NEW YORK**

Introduction

The Town of Jewett currently funds the provision of Ambulance service with funds raised through its General Fund which are collected as a levy against the value of taxable properties in the Town. The Town enters into an annual contract with the Town of Windham to cover such service. In order to fund this service directly, and in a manner best allocating costs to those benefitted by the services, the Town is considering whether it would be in the public interest to form a special Ambulance District to assess taxes separately from the Town's General Fund.

Plan of Finance

The District would be established for the purpose of independently taxing, on an Ad Valorem basis, all properties in the Town except those properties which are mandated exempt on the basis of Constitutional, State or Local Law.

Service Area

The District would cover the entire area of the Town of Jewett as shown in the appended Figures 1 and 2 and the appended legal description. This service area coincides with the legal boundaries of the Town of Jewett.

Purpose and Authorities of District

The Ambulance District would be established with the following purposes and with the following authorities:

1. Contract for an emergency medical service, a general ambulance service, or a combination of such services for the purpose of providing prehospital emergency medical treatment or transporting sick or injured persons found within the boundaries of the district to a hospital, clinic, sanatorium, or other place for treatment of such illness or injury.
2. Contract with one or more individuals, municipal corporations, the County, associations, or other organizations having sufficient trained and experienced personnel.
3. The Contractor(s) shall provide a certificate of insurance indemnifying against liability for the negligent operation of such emergency medical service or ambulance service and the negligent use of other equipment or supplies incidental to the furnishing of such emergency medical service or ambulance service, naming the Town as an additional insured.

Organization and Management of District

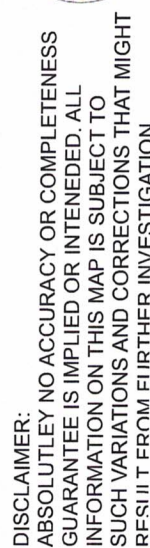

This Order and Resolution would also establish a Board of Commissioners (BOC) for the District and delegate ministerial functions related to the operation of the ambulance district to the BOC. The BOC would be responsible for the District finances and would be responsible for auditing and approving the books, payments and receipts made by the District in the course of operations of District. The BOC would also be required to provide a Financial Statement of the District Finances to the Town Board on an annual basis.

The members of the Town Board shall serve as the BOC.

Summary and Conclusions

Formation of the District would result in Levying of the taxes which support Ambulance and Emergency Services directly on the users of the services, with the only exemptions being those which are mandated exempt on the basis of Constitutional, State or Local Law.

This map shows the town of Jewett, Oregon, and its surrounding areas. The town of Jewett is located in the center of the map, with streets like Route 40, Route 23C, Route 17, and Route 13. Surrounding towns include Windham to the northwest, Ashland to the west, Lexington to the south, and Hunter to the northeast. The map also shows the Rogue River and various local roads like Round Hill Road, Malloy Road, and Goshen Street.

LEGAL DESCRIPTION – JEWETT AMBULANCE DISTRICT

Beginning at a point at the northwesterly corner of the Town of Jewett – Greene County and common with the Town of Lexington – Green County on the west and the Town of Ashland – Greene County on the north, said point being approximately 2,500-ft (0.47 miles +/-) directly east of the Tower Mountain peak, commence in an easterly direction approximately 10,000-ft (1.89 miles +/-) crossing Greene Co. Route 17 where the Town of Ashland – Greene County lies on the north side of the border; continue 1,250-ft (0.24 miles +/-) northeasterly reaching the intersection of the Town of Jewett, Town of Ashland, and Town of Windham – Greene County borders, thence 10,750-ft (2.04 miles +/-) easterly through the Cave Mountain area and along the south border of the Town of Windham – Green County;

thence continue in a southeasterly direction approximately 5,000-ft (0.95 miles +/-) to a point, thence northeasterly 1,500-ft (0.28 miles +/-) through the Cave Mountain peak;

thence in a southeasterly direction, crossing over NYS Route 296, 6,500-ft (1.23 miles +/-) to Round Hill peak, continuing 4,000-ft (0.76 miles +/-) easterly through Van Loan Hill and part of the Catskill Park Forest Preserve;

thence continuing easterly 18,000-ft (3.4 miles +/-) from Van Loan Hill, across Greene Co. Route 40 and through the Blackhead Mountains to Thomas Cole Mountain peak, thence easterly 4,000-ft (0.76 miles +/-) to Black Dome peak, thence 5,000-ft (0.95 miles +/-) easterly to Blackhead peak, a point in common with the southwesterly corner of the Town of Windham – Greene County and the westerly border of the Town of Cairo – Greene County;

thence move in a southeasterly direction along the westerly border of the Town of Cairo – Greene County approximately 20,100-ft (3.8 miles +/-) to Stoppel Point peak;

thence in a westerly direction approximately 17,900-ft (3.4 miles +/-) through part of the Catskill Park Forest Preserve to Star Rock, continue 4,000-ft (0.76 miles +/-) further to Parker Mountain peak, crossing over Greene Co. Route 23-C, thence continue 5,350-ft (1.01 miles +/-) along the northerly border of the Town of Hunter – Greene County in a southwesterly direction to a point;

thence move 3,650-ft (0.69 miles +/-) westerly to Onteora Mountain peak, thence for approximately 18,250-ft (3.6 miles +/-) northwesterly along the East Jewett Range to a point, passing over Scribner Hollow Road, thence for approximately 17,000-ft (3.2 miles +/-) southwesterly, across NYS Route 296, NYS Route 23-A (Main Street), and along the northwesterly border of the Town of Hunter – Greene County;

thence move 6,750-ft (1.3 miles +/-) northwesterly to Rusk Mountain peak, continue 3,000-ft (0.57 miles +/-) northwesterly, 1,100-ft (0.21 miles +/-) northerly, 5,100-ft (0.97 miles +/-)

northwesterly, 2,800-ft (0.53 miles +/-) southwesterly, and 6,200-ft (1.2 miles +/-) northwesterly through Evergreen Mountain and part of the Catskill Park Forest Preserve;

thence continue 12,500-ft (2.4 miles +/-) northerly to a point, thence 3,000-ft (0.57 miles +/-) westerly along the Schoharie Creek to a point where John Chase Brook begins, thence continue north along this brook for 8,500-ft (1.6 miles +/-), crossing over NYS Route 23-A and Greene Co. Route 13, thence in a most northeasterly direction 8,500-ft (1.6 miles +/-), across Airport Road and Greene Co. Route 23-C to the point and place of beginning.

Described area, shall be and are hereby enacted into a separate district by the name of the Town of Jewett Ambulance District. Said Jewett Ambulance District shall include ALL tax parcels within the described district and as currently on file with the Jewett Town Assessor's Office and Greene County Real Property Tax Services. The described Jewett Ambulance District shall be considered the same area as the Jewett Fire Protection District and East Jewett Fire Protection District.
